

## TUSSE - VOICES

[Intro]

**Am C G F**

[Verse 1]

There's fire in the rain **Am**  
But we'll get up again **C**  
We're thousand miles apart **G**  
But we'll overcome **F**  
I'll never let you down **Am**  
World is turning us around **C**  
But I feel it in my heart **G**  
Let's make a brand new start **F**

[Pre-Chorus]

**Am**  
Can't stop us now, forget the haters  
**C**  
Get up and live and make it matter  
**G** **F**  
There's more to life so go ahead and sing it out

[Chorus]

**Am** **C**  
Can you hear a million voices  
**G** **F**  
Calling out in the rain?  
**Am** **C**  
You know we got a million choices  
**G** **F**  
So go get out and let it rain
