

[Verse 1]

C Am

All I am is a man

Em G

I want the world in my hands

C Am

I hate the beach but I stand

Em G

In California with my toes in the sand

C Am

Use the sleeves of my sweater let's have an adventure

Em G

Head in the clouds but my gravity's centered

C Am

Touch my neck and I'll touch yours

Em G

You in those little high waisted shorts, oh

[Pre-Chorus]

C

She knows what I think about

Am

And what I think about

Em

One love, two mouths

G

One love, one house

C

No shirt, no blouse

Am

Just us, you find out

Em

G

Nothing that I wouldn't wanna tell you about, no

[Chorus]

C Am

'Cause it's too cold

Em G

For you here and now

C Am

So let me hold

Em G

Both your hands in the holes of my sweater

[Verse 2]

C

And if I may just take your breath away

Am

I don't mind if there's not much to say

Em

Sometimes the silence guides your mind

G

So move to a place so far away

C

The goosebumps start to race

Am

The minute that my left hand meets your waist

Em

And then I watched your face

G

Put my finger on your tongue

C

'Cause you love to taste yeah

These hearts adore

Am

Everyone the other beats hardest for

Em

Inside this place is warm

G

Outside it starts to pour

[Pre-Chorus]

C

Comin' down

Am

One love, two mouths

Em

One love, one house

G

No shirt, no blouse

C

Just us, you find out

Am

Nothing that I wouldn't wanna tell you about

G

No, no, no

[Chorus]

C Am

'Cause it's too cold

Em G

For you here and now

Both your hands in the holes of my sweater
